

The POWER of ONE Annual Fund Campaign

PAWS understands that ONE person
CAN make a difference.

Funds raised through this Campaign will
enable us to meet the day to day needs of
all of the PAWS dogs in our care and
cover the expenses required to maintain
our programs.

Your gift of \$50, \$100, \$200 or more
means that no hero walks alone and, that
a disabled child's dream for a canine
companion can come true.

Together - we can change someone's life!
